Administrative Action  
AMENDMENT TO REINSTATEMENT  
ORDER

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon the filing of an application to vacate the restrictions on the license of Joseph A. Izzo, Jr., D.M.D., by Pamela Mandel, Esq., counsel for Dr. Izzo, such application being supported by several reports concerning the progress made by Dr. Izzo with respect to the terms and conditions of the Reinstatement Order entered by the Board on August 28, 1990, as well as a supplemental psychological evaluation conducted by Frank J. Dyer, Ph.D., a consultant appointed by the Board. Dr. Izzo personally appeared before the Board with counsel on December 4, 1991, to request modification of the terms and conditions of the Reinstatement Order.

The Board reviewed the entire record before it and determined that there was good cause to modify the Reinstatement Order as follows.

IT IS, THEREFORE, ON THIS 8<sup>th</sup> DAY OF JANUARY, 1992,

ORDERED THAT:

1. The terms and conditions of the Reinstatement Order filed with the Board on August 28, 1990 shall be modified as

- follows:

- a. Dr. Izzo shall be permitted to practice dentistry independently and not as an employee or under the direct supervision of another dentist so long as such practice is conducted on a part-time basis consisting of no more than three (3) days per week and so long as there is no utilization or possession or dispensing or any other contact with Schedule II Controlled Dangerous Substances in such dental practice. In the event Dr. Izzo determines to enter independent practice, he shall notify the Board in writing in advance of the date on which such practice shall commence and the location of such practice.
- b. Dr. Izzo shall have his urine monitored in accordance with the terms of the Reinstatement Order but on a reduced frequency of one time per month.
- c. Dr. Izzo shall be permitted prescription privileges for only Schedule III, IV, and V Controlled Dangerous Substances. Dr. Izzo shall obtain and exclusively employ prescription pads which provide triplicate copies of each prescription and which are consecutively numbered. Dr. Izzo shall provide the original of the prescription to the patient, he shall place one copy in the

patient's chart, and he shall submit one copy of all prescriptions to the Board on a monthly basis. He shall be required to account for each consecutive number, regardless of whether the particular prescription was voided or not used for any purpose whatsoever. Dr. Izzo shall submit copies of these prescriptions in consecutive order no later than the 5th day of each month for all prescriptions written in the previous month, and these shall be submitted to Agnes Clarke, Executive Director of the Board, at 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102, so that they may be reviewed and monitored by the Board.

- d. Dr. Izzo shall attend support groups including AA/NA at a frequency of no less than two times per weeks.
- e. Dr. Izzo shall continue in counseling with Richard Bowe at a frequency of one time every three months.

2. All other terms and conditions of the Reinstatement Order entered on August 28, 1990, that are not inconsistent with the within Order shall continue in full force and effect.

3. Dr. Izzo may apply for modification of the terms and conditions of the within Order no sooner than one year from the

entry date herein.
